City of Lincoln Proclamation

“Star City Pride Day”

Whereas, gay, lesbian, bisexual and transgender people are our family members, neighbors and coworkers; and

Whereas, gay, lesbian, bisexual and transgender people make significant contributions to the economic, political, social and intellectual life of our City, State and nation; and

Whereas, gay, lesbian, bisexual and transgender people continue to face discrimination; and

Whereas, the City of Lincoln prides itself in maintaining a great quality of life; and

Whereas, the City is committed to fighting discrimination and seeking equal opportunity, fairness and inclusiveness for all its residents,

Now, therefore, I, Chris Beutler, Mayor of the City of Lincoln, Nebraska, do hereby proclaim June 2, 2018 as “Star City Pride Day” and encourage all residents to celebrate this day and join the gay, lesbian, bisexual and transgender members of our community in the continuing struggle for justice, peace and equality.

June 2, 2018

Date

Mayor Chris Beutler
Star City Pride 2018 is here! People have been celebrating gay pride since the Stonewall riots in 1969, but President Clinton officially declared June “Gay and Lesbian Pride Month” for the first time in 2000. In 2009, President Obama updated the name of the observance month to “LGBT Pride Month.” Count this among many of the reasons we finally moved the Star City Pride festival to June. Well... maybe because it’s also way cooler in June!

As I reflect over the past several years I have been part of the Board of Directors and a Corporation Member, I know I have witnessed the many strides in our fight for complete equality in America. The shifting attitudes and beliefs of our country made their impact in 2015 when the Supreme Court legalized marriage equality. As a community, we can finally make our love official in the eyes of the law in every state of the union.

While Pride Month does celebrate the progress the community has made, it also remembers and commemorates the tragedies.

This month is so important to remember those who have lost their lives for who they are. It is also a time to remember how strong we are, and that we need to continue to fight for further equality for the growth of our community.

This year will be my last year as the President of Star City Pride. It is time for me to step down and let some of our younger community members take the reign. I am very grateful for all of those who have not only helped me, but also our community, to learn and grow year after year.

I am very thankful to the current and past Board and Corporation members for all the hard work they have put in to make Star City Pride not only successful, but better each year. Last but not least, I want to thank our Sponsors, Volunteers, Vendors, Performers and all of our Community Members who help us make this happen every year. Without your support the festival and celebration would not happen.

I am very PROUD to be a part of this great organization and community. I am also inspired and ecstatic to be who I am, and that I am able to SAY IT WITH PRIDE.

Ramon Ventura

Living in Chicago, entertainer Ramon Ventura is from Rio de Janeiro, Brazil, and is the current reigning Mr. Continental. At 22, he has a great history of work in Brazil and around the world as an international performer. Among his international performances and work are Colombia, Switzerland, France and Germany. His first time to the U.S. was in 2015 where he worked in several Florida cities.

Ramon Ventura is a former Mr. Europe Continental 2016 and Mr. Liberty Continental 2017.

Jacob St. Aubin

Jacob St. Aubin is an independent pop artist based in Los Angeles, but originally from Ohio. His music has been compared to that of “Roar” by Katy Perry, while his voice has been compared to that of Shawn Mendes.

His writing is special in that he writes from the heart. He means to reflect the current times including the struggles we all face, in hopes that he can inspire those listening to want to change the world for the better.
April Carrión was a contestant on Season 6 of RuPaul's Drag Race. Hailing from Guaynabo, Puerto Rico, April's early years were filled with lessons in the arts, ballet, jazz, theatre. In 2007, April joined the most renowned arts college in the Caribbean, "La Escuela de Artes Plasicas" which gave her the tools to begin to question the world she knew.

April was named Miss Krash Puerto Rico 2011. This new exposure and platform escalated her to numerous adventures including a leading role in Gloria Estefan's "Hotel Nacional" (2012), face of the Puerto Rican Queer Film Festival (2012), and walking for numerous household designers in the Puerto Rican fashion industry (2013), as well as headlining Hair show galore "Battle of the Strands"(2013). She finished production on a two year documentary in 2016 titled "MALA MALA," which explores the lives of young transsexuals & drag queens in Puerto Rico.
Floor is Lava is a Lincoln-based dance-rock band. Initial founding members Bob Spire, guitar, and drummer Sean Brandt were soon introduced to the spectacular newcomer to the Lincoln live-music scene, Molly Sharp, who instantly earned the lead vocalist spot. Bob and Sean then gathered two other veteran musicians Reggie Lilly on bass and Gregg Witfoth on guitar and vocals to round out the line-up.

Floor is Lava has been regularly performing in clubs and at events throughout the Lincoln and Omaha areas.
Kansas City–based all-female powerhouse Holmes Street covers a wide range of feel-good rock, pop, country, and indie tunes, from Johnny Cash to Joan Jett, Guns N’ Roses, Miranda Lambert, and P!nk. Performing together since 2011, Holmes Street is a five-time winner of the Audience Choice Award at the annual HRC Battle of the Bands hosted by Human Rights Campaign-Kansas City.

This is no low-key chick band—these ladies know how to get a crowd moving! Members are Tracey Stowe on lead vocals, Susanna Barchak on guitar and vocals, Pamela Beihl on guitar and vocals, Ann Scida on drums, and Michelle Daniel on bass guitar. Together, these high-spirited songsters deliver a rockin’, crowd-pleasing performance every time. When people come to a Holmes Street gig, they have fun!
Faleasha Savage

Faleasha is originally from Nebraska. She started her career in 2000 at The Q, where she competed in (and won) Miss Beauty and the Beast pageant. She has been doing pageants ever since.

Faleasha has won almost every title in Nebraska that there was while she was a resident. She finds a lot of joy out of competing and traveling the nation entertaining at different venues.

She relocated to Phoenix, Arizona back in 2010. Since she has moved she has focused on competing on a larger scale and has had the pleasure to win a few national titles.

- Miss National Capital Cities 2013
- Miss Gay United States 2014
- Miss Gay USA Unlimited 2015
- Miss Professional Female Impersonator of America 2016
- Miss Gay United States Icon 2017

Faleasha is very excited to be celebrating Pride this year back home with all her friends and family!

Giselle Jacobs

Giselle Jacobs currently lives in Sioux City, Iowa. She travels throughout the U.S. to perform and entertain through Drag. When she is not entertaining she is actively helping friends and family compete for pageants in the local area in the drag and trans community. She is very excited to be back at Star City Pride to entertain and have an amazing experience with our community.
BARBRA LOVE-SANCHEZ
MISS STAR CITY PRIDE 2017

It’s been an eventful year working to make this dream the success that I truly believe it has been. With a total of 22 shows, more than 15 I actively promoted as your Miss Star City Pride across the great state of Nebraska.

To my Board, I truly thank you for allowing me to spread my wings and fly with this title as I did with all your amazing support you each showed me. To my Mr. SCP 2017 Juicy J, it’s been an amazing year. Between the two of us, we managed to be seen throughout the state during 36 weeks of our reign—a true testament to our devotion.

To my sisters and brothers—entertainers—who have come out and given their time and monies to help us this year…I thank you all! We raised more than $2,000 for SCP 2018, so get ready…it will be an amazing festival. A special shout out goes to my fellow SCP sister Britney Knight; thanks for your support and that great talk the night I won.

To my Entertainment Board member Ron Royer—this year could not have been any more smooth then it was with your help and belief in me. You truly were the back bone to much of what I accomplished this year.

To the Venue’s that open your doors to us to have the opportunity to fund raise for a great organization, I thank you.

My SCP Board President Vadra Stutzman—I am truly thankful for all the support and love you’ve shown me this year. You are an amazing woman to have had in my corner when it came to promoting and representing Star City Pride. I do hope I made you proud.

To my sister and room mate Jessica West Bower, I say thanks for the drive and motivation you gave me this year and for opening your closet to me. For without you, I feel I would not have had the year I did promoting. Having a sister like you makes this reign so much better. You’re truly a great supporter to our community.

In closing I use this statement from a great advocate to the LGBT community:

“All people, regardless of sexual orientation or identity, deserve a safe and supportive environment to achieve their full potential.” —Harvey Milk

God Bless you all and thank you for allowing me to share this passion I call Drag!!

JUICY J MR. STAR CITY PRIDE 2017

This year has been an amazing year holding the title alongside my wife, Barbra Love-Sanchez. I’ve been blessed to meet new people and put shows on for a great cause. It’s been so fun, and I want to thank the Star City Pride Board for supporting Barbara and I. To the community of supporters—Thank You!

A Trusted Partner
Southeast Community College enjoys a rich history of being the premier career/technical educational institution in Nebraska. SCC serves more than 34,000 students annually and employs nearly 700 full-time and 750 part-time faculty/staff.

THE MISSION
The mission of Southeast Community College is to empower and transform its students and the diverse communities it serves. The College provides accessible, dynamic and responsive pathways to career and technical, academic transfer, and continuing education programs. Student success and completion is maximized through collegiate excellence, exemplary instruction, comprehensive student support services, enrichment programs, and student-centered processes. SCC is committed to a proactive and evidence-based approach that continually assesses and responds to student, community, and employer demand for higher education.

CORE VALUES
Southeast Community College adheres to a set of core values that drive the decisions and actions of the institution.

1. Excellence – Commitment to the highest level of performance in all facets of the College’s programs, services, and operations through effective investment and support of all assets.
2. Integrity – Continuous pursuit of fulfillment of mission and goals through transparency and ethical practices in all College operations.
3. Innovation – Commitment to inquiry and the respectful challenging of assumptions to promote creativity, alternative points of view, and opportunities for ongoing discovery.
4. Inclusion – Promotion of opportunities and advancement for a diverse and dynamic student, faculty/staff, and community population through the creation of a positive, compassionate, and reflective culture.
5. Stewardship and Accountability – Commitment to investment in appropriate resources in fulfillment of College’s mission and goals and reliance on responsible management of human, physical, and financial resources.
