

Star City Pride Entertainment Committee Meeting
Saturday January 5th

Call to order 3:20

1.0

Ron – Goals, Welcome

2.0 Upcoming SCP Dates and Locations

3.0 Special Events

Stellas Discussion:

- Who is organizing? SCP will try to form a planning committee; Entertainment committee can help with entertainment needs.
- How many rounds of voting? Discussion about nominations, and either one or two rounds of voting after. Consensus is that a nominations round, followed by a finalist (top 3 or top 5) round, with the winners announced at the event.
- How to limit the number of daily votes per IP, email address, etc.

Volleyball Tourney is scheduled for April 27th at Spikes. Do we need entertainment at the event? Group discussion and consensus is that we shouldn't do anything entertainment-related at the event. Let the tournament play out as last year, and look at options in future years for entertainment opportunities.
