

Board Meeting October 17th, 2021

10-17-2021 @ 7pm

The Foundry

Call to order: 7pm

Attendance: Kevin, Cody, Dan, Ron, Liz, Gretchen.

Quickbits:

Kevin- Great OK, well a personal note in everything from last week: went to a huge food truck rally, it was in Waverly and it was the battle of the food trucks. I wasn't expecting with it being my first year open and stuff like that that we were gonna win. But it was just basically getting my business out there and we killed it I mean just totally killed it. I wasn't expecting to make you know almost 100 sandwiches that day but it what we did. We got recognized by the community and I was able to also tie in Star city pride with this and talked to food trucks. They would also love to be a part of star city pride because they said that they are huge supporters of the community and anything they can do to help out the community the better!

Cody- Just work as usual. Actually had some time to be at home and watch some shows. I'm kind of getting in the Halloween spirit and watching scary ones.

Liz- We've been doing a lot of stuff to lately I just went to my cousin's wedding over the weekend and it was a lot of fun we got to do a lot of family time and spend some time with my daughter. Important work life balance I wasn't able to take because I was so busy with work and business and all of that good stuff over the summer. I wasn't able to take a vacation so I was way overdue. It's like our first time out I think since April, it's been awhile.

Ron and Dan- Got the laptops done. We are seeing Hamilton next week that's exciting. Halloween time! I love this time of year not just pumpkins, pumpkin spice.

Gretchen- Everything feels really busy in a really good way, I just have this general upbeat feeling about everything and that's for star city pride.
